TWI
Tactive
infokiosk

The Tactive TWI is an ultra-versatile kiosk thought out for interactive applications such as wayfinding, 3D map viewing and video catalogues. This is the perfect solution for shopping malls, museums, showrooms, or fairs. The landscape display has an integrated touch screen with an anti-scratch and anti-reflective 4mm glass, giving you speed and sensibility never seen before. The frontal panel can host devices such as a webcam, card reader, barcode reader or 80mm thermal printer, useful for extra income through upselling and cross-selling activities. The double back panel on the other hand allows for maintenance services in an easy and fast way.

ENVIRONMENT
Indoor
IP20 (Nema 1) water proof
IP20 (Nema 1) dust proof
Temperature range from 0°C to +40°C

TECHNOLOGY AND USAGE
Primary brand PRO grade LCD
24/7 usage
12 point PCAP touch screen

STRUCTURE
Robust steel structure
Ergonomic design
Safety Lock and invisible screws and hinges
Customizable frontal panel
(printers/card reader)
Easy access for maintenance

AVAILABLE SIZES
landscape
43"   49"
